I wrote this one for my man, this distance thing sucks.

I am SLOWLY getting back into writting.

Together Nocturnal - Jessica Beaumont (06/17/04)

The light piercing my eyes
Aggressively awakening
From the dream where I was nestled in your arms.
Talons grasp my heart with windspeed
I hear your laugh over snow-capped mountains
I see your smile, a beacon of sun.
These dreams are the best,
as it is the only way I can be with you.
